

**PERSONAL DATA**

Age : 30 Years  
Sex : Male  
Nationality : Thai

**EDUCATION**

2006 : B. Eng. In CIVIL ENGINEERING, Kasetsart University  
Kamphaeng Saen Campus, Bangkok, THAILAND.

**TRAINING**

2009 : Certificate in Work Safety Officer – Supervisor Level  
Bangkok, THAILAND.

**WORK EXPERIANCE**

- 6 years as Civil Engineer and Civil Foreman

**EMPLOYMENT RECORD**

2006- Present : TEN CONSULTANTS CO., LTD.  
*Project/Civil Engineer*

**HIGHLIGHT OF EXPERIENCE****1****2010**

Project Name	KOH LAN Project
Project Location	Koh Lan, Pattaya, Chonburi, Thailand
Project Description	Boring investigation of 19 boreholes and 7 trial pits
Owner	WSP Lincolne Scott
Client	WSP Lincolne Scott
Position	<i>Project Engineer</i>

**2**

2010

Project Name	LKU-D Local Dehydration and Water Injection Facilities Detailed Engineering Project
Project Location	Lan Krabue, Kamphangphet Province, Thailand
Project Description	Boring investigation of 3 boreholes to the depth of 30 m incl. 2 plate bearing tests, 9 electrical resistivity soundings and 9 soil thermal resistivity detection
Owner	PTTEP
Client	PTTEP
Position	<i>Project Engineer</i>

**3**

2010

Project Name	LKU-C Local Dehydration and Water Injection Facilities Detailed Engineering Project
Project Location	Lan Krabue, Kamphangphet Province, Thailand
Project Description	Boring investigation of 3 boreholes to the depth of 30 m incl. 2 plate bearing tests, 9 electrical resistivity soundings and 9 soil thermal resistivity detection
Owner	PTTEP
Client	PTTEP
Position	<i>Project Engineer</i>

**4**

2010

Project Name	Maintenance and Monitoring Service for GHECO-ONE Power Plant Project
Project Location	Map Taphut, Rayong
Project Description	Installation and monitoring of 3 inclinometers, 2 sets of tilt meter and 2 sets of strain gauge.
Owner	Gheco-One Power Plant Co., Ltd.
Client	Gheco-One Power Plant Co., Ltd. (Represented by Doosan Heavy industries &Construction)
Position	<i>Project Engineer</i>

**5**

2010

Project Name	Area D1-D3 Development Project
Project Location	Laemchabang Port, Chonburi, Thailand
Project Description	Drilling of 40 boreholes of 25m deep for Geotechnical Investigation and CPT testing of 100 points of 20m deep
Owner	Hutchison Laemchabang Terminal Limited
Client	Hutchison Laemchabang Terminal Limited (Represented by Scott Wilson Kirkpatrick Thailand Ltd.)
Position	<i>Project Engineer</i>

**6**

2009

Project Name Offsite Pipeline Project  
Project Location Map Taphut, Rayong  
Project Description Drilling of 3 boreholes of 30m deep for Geotechnical Investigation  
Owner MTP HPPO Manufacturing Co., Ltd.  
Client MTP HPPO Manufacturing Co., Ltd.  
(Represented by Foster Wheeler International Corporation, Thailand Branch Office)  
Position *Project Engineer*

**7**

2009

Project Name Design for Floodwall CNS Project  
Project Location CNS Depot, Bangkok, Thailand  
Project Description Drilling of 3 boreholes of 30m deep for Geotechnical Investigation and Topographical Survey  
Owner Shell Company Limited  
Client Technip Engineering Co., Ltd  
Position *Project Engineer*

**8**

2009

Project Name AN and MMA Project  
Project Location Map Taphut, Rayong  
Project Description Drilling of 224 boreholes of 6m deep for CP Anode Installation.  
Owner PTT Asahi Co., Ltd.  
Client CTCI (Thailand) Co., Ltd  
Position *Project Engineer*

**9**

2009

Project Name South East Asia Latex (SEAL) Project  
Project Location Map Taphut, Rayong  
Project Description Geotechnical Investigation and Geophysical Exploration incl. 30 boreholes of 30m depths, trial pits, in-situ tests, soil electrical resistivity soundings, and Topographical Survey of 60 rai project area  
Owner Bangkok Synthetics Co., Ltd.  
Client Bangkok Synthetics Co., Ltd.  
Position *Project Engineer*

**10**

2009

Project Name Plate Bearing Test for New Yard Area Pluto LNG Project  
Project Location Leam Chabang Port, Leam Chabang, Chonburi  
Project Description 7 sets for Plate Bearing Test  
Owner STP&I Public Company Limited  
Client STP&I Public Company Limited  
Position *Project Engineer*

**11**

2008

Project Name	AN and MMA Project
Project Location	Map Taphut, Rayong
Project Description	Baseline Investigation of Soil Contamination of 6 selected soil samples
Owner	PTT Asahi Co., Ltd.
Client	CTCI (Thailand) Co., Ltd
Position	<i>Project Engineer</i>

**12**

2008

Project Name	Thai Growth Project
Project Location	Map Taphut, Rayong
Project Description	Dynamic cone penetration test of 20 investigated points of drain conduit base.
Owner	MTP HPPO Manufacturing Co., Ltd.
Client	RITTA Co., Ltd.
Position	<i>Project Engineer</i>

**13**

2008

Project Name	PTT Chem EPS Project
Project Location	Map Taphut, Rayong
Project Description	Boring Investigation of 12 boreholes of 25m depth and 2 trial pits
Owner	PTT Chemicals Plc
Client	MAA Geotechnic Co., Ltd
Position	<i>Project Engineer</i>

**14**

2008

Project Name	Thai Growth Project – PO Project
Project Location	Ban Chang, Rayong
Project Description	Boring investigation of 13 boreholes to the depth of 25 m incl. 3 trial pits, 1 downhole velocity loggings, 4 electrical resistivity soundings and 4 soil thermal resistivity detection
Owner	MTP HPPO Manufacturing Co., Ltd.
Client	MTP HPPO Manufacturing Co., Ltd. (represented by Foster Wheeler International Corporation, Thailand Branch Office)
Position	<i>Project Engineer</i>

**15**

2008

Project Name Thai Growth Project – PUI and Building Area  
Project Location Ban Chang, Rayong  
Project Description Boring investigation of 10 boreholes to the depth of 25 m and 20 electrical resistivity soundings  
Owner MTP HPPO Manufacturing Co., Ltd.  
Client MTP HPPO Manufacturing Co., Ltd.  
(represented by Foster Wheeler International Corporation, Thailand Branch Office)  
Position *Project Engineer*

**16**

2008

Project Name IRPC CHP Project  
Project Location Map Taphut, Rayong  
Project Description Geotechnical Investigation and Geophysical Exploration incl. 20 boreholes of 15-30m depths, trial pits, in-situ tests, soil electrical resistivity soundings, downhole velocity loggings, soil thermal resistivity and soil temperature detections and Topographical Survey of 30 rai project area  
Owner Integrated Refinery & Petrochemical Complex PCL  
Client CTCI (Thailand) Co., Ltd.  
Position *Project Engineer*

**17**

2008

Project Name TOL MPR and MES Project  
Project Location Map Taphut, Rayong  
Project Description Geotechnical Investigation and Geophysical Exploration incl. 20 boreholes of 25m depths, trial pits, in-situ tests, soil electrical resistivity soundings, downhole velocity loggings, soil thermal resistivity and soil temperature detections and Topographical Survey of 30 rai project area  
Owner Thai Oleochemicals Co., Ltd  
Client Thai Oleochemicals Co., Ltd  
Position *Project Engineer*

**18**

2008

Project Name EPOC New Land Project  
Project Location Map Kha, Rayong  
Project Description Boring investigation of 10 boreholes to the depth of 20 m and 5 trial pits and Topographical Survey of 30 rai project area  
Owner CTCI (Thailand) Co., Ltd  
Client CTCI (Thailand) Co., Ltd  
Position *Project Engineer*

**19**

2008

Project Name	AN and MMA Project
Project Location	Map Taphut, Rayong
Project Description	Geotechnical Investigation and Geophysical Exploration incl. 77 boreholes of 5-30m depths, trial pits, in-situ tests, soil electrical resistivity soundings, downhole velocity loggings, soil thermal resistivity and soil temperature detections and Topographical Survey of 120 rai project area
Owner	PTT Asahi Co., Ltd.
Client	CTCI (Thailand) Co., Ltd
Position	<i>Project Engineer</i>

**20**

2008

Project Name	Well Site "F" Project of PTTEP S1 Assets
Project Location	Lan Krabue, Kampaengphet
Project Description	Soil thermal conductivity detection of 8 locations of 2.50m
Owner	PTTEP Siam Limited
Client	Geo-Technology Consultants Co., Ltd
Position	<i>Project Engineer</i>

**21**

2008

Project Name	HDD Work for Interconnecting Pipeline Project – HMC PDH Project
Project Location	Map Taphut, Rayong
Project Description	Boring investigation of 2-20m boreholes at HDD construction site in front of HMC Polymers Co., Ltd and HDD Site Topographical Survey
Owner	HMC Polymers Co., Ltd
Client	Rayong Intania Co., Ltd
Position	<i>Project Engineer</i>

**22**

2008

Project Name	Transmission Tunnel & Related Works in Highway No.351 Project
Project Location	Bangkok
Project Description	Installation of 39 inclinometers and 23 extensometers
Owner	Metropolitan Waterworks Authority
Client	Nawarat Pattanakarn PCL
Position	<i>Project Engineer</i>

**23**

2007

Project Name	PTTUP CUP3 Project
Project Location	Map Taphut, Rayong
Project Description	Boring Investigation of 20 boreholes of 20m depth including Geophysical Investigation and Topographical Survey of 30 rai project area
Owner	PTT Utility Co., Ltd.
Client	CTCI (Thailand) Co., Ltd
Position	<i>Project Engineer</i>

**24**

2007

Project Name	New Transformer Installation Project
Project Location	Lan Krabue, Kampaengphet
Project Description	Boring Investigation of 1 borehole of 21.45m depth with 7 sets of soil resistivity and 7 sets of soil thermal conductivity
Owner	PTTEP Siam Limited
Client	PTTEP Siam Limited
Position	<i>Project Engineer</i>

**25**

2007

Project Name	AN and MMA Project
Project Location	Map Taphut, Rayong
Project Description	Boring Investigation of 20 boreholes of 30m depth including Geophysical Investigation and Topographical Survey of 200 rai project area.
Owner	PTT Asahi Co., Ltd.
Client	PTT Asahi Co., Ltd.
Position	<i>Project Engineer</i>
