

PERSONAL DATA

Age : 44 Years
Sex : Male
Nationality : Thai

EDUCATION

◆ 1994 : BSc. in Geology, Faculty of Science, Chiangmai University,
(Chiangmai province, Thailand).

EXPERIENCES

1995-Present : TEN CONSULTANTS CO., LTD.

(Geotechnical Manager)

Manage and control the Geological Department

(Soil and Rock drilling team, and also the Laboratory process)

Experiences:

- ◆ Water Resources (Dams, Reservoirs and Weirs)
- ◆ Transportation (Airports, Roads, Bridges, Tunnels, etc.)
- ◆ Drainage and Flood Protections
- ◆ Environmental works
- ◆ General construction works

1993-1995 : STS Import-Export Co., Ltd.
(Geologist)
Field mapping and resistivity survey (Tak province)

Water Resources (Dams, Reservoirs and Weirs)

1. Nong Kung and Nong Kaew Dam Project

Client: Panya Consultants Co., Ltd.

Detailed Design of Nong Kung and Nong Kaew Dam (Geological and material investigation for reservoir).

2. Khlong Phra Put Dam Project

Client: Panya Consultants Co., Ltd.

Feasibility Study of Khlong Phra Put Dam (Soil and material testing).

3. Pa Ao Reservoir Project

Client: Seven Associated

Feasibility Study of Pa Ao Reservoir (Geological and material investigation).

4. Na Srida and Lam Praneang Reservoir

Client: Panya Consultants Co., Ltd.

Detailed Design of Na Srida and Lam Praneang Reservoir (Geological and material investigation)

5. Mae Wong Irrigation Project

Client: Panya Consultants Co., Ltd.

Detail Design of Mae Wong Irrigation (Geological and material investigation)

6. Nam Phrom Weir Project

Client: Panya Consultants Co., Ltd.

Feasibility study of nam phrom weirs and Irrigation system (Geological and material investigation)

7. Lum Pao Dam Project

Client: SEATEC GROUP

Detail design a new spillway of Lum Pao dam at Karasin province (Geological investigation)

8. Nam Haui Dam Project

Client: Resource Engineering and Consultants Co.,Ltd.

Feasibility study and detail design of Nam Haui Dam (Geological and material investigation)

Drainage and Flood Protection

1. Chao Phraya Flood Protection Project

Client: Water Development Consultant Co., Ltd.

Detailed Design of Chao Phraya Flood Protection (Soil Investigation)

2. Nakhon Sawan Flood Protection Project

Client: Progress Technology Consultants Co., Ltd.

Detail Design of Nakhon Sawan Flood Protection (Soil Investigation).

3. Don Muang Drainage Improvement Project

Client: Necco Ltd.

Detailed Design of Don Muang Drainage Improvement (Soil and material investigation)

4. Bangkapi Drainage Improvement Project

Client: Water Development Consultants Co., Ltd.

Feasibility Study and Detailed Design for the improvement of Bangkapi Drainage system (Soil Investigation)

5. Samutsakhon Drainage Improvement Project

Client: Water Development Consultants Group Co.,Ltd.

Feasibility study and detail design for flood protection system of urban Samutsakhon (Soil Investigation)

6. Ping-Wong Erosion Protection Project

Client: Water Development Consultants Group Co.,Ltd.

Feasibility study for the protection of river side of Ping and Wang river from Lampang to Nakhonsawan province (Soil Investigation)

7. Suphanburi Drainage Improvement Project

Client: Water Development Consultants Group Co.,Ltd.

Feasibility study and detailed design for the improvement of Thajeau river drainage system

8. Yom-Nan Flood Protection Project

Client: Panya Consultants Co.,Ltd.

Feasibility Study and Detailed Design for drainage improvement system of Yom and Nan river about 400 km. from Phisunulok to Nakhonsawan province (Soil Investigation)

Transportation (Airbase, Road, Bridge, Tunnel, etc.)

1. PWD 5 Bridges (Contract No. 2/2539)

Client: Team Comsultants Co., Ltd.

Detail Design of PWD 5 bridges Contract no. 2/2539 (Soil investigation for bridges).

2. Rural Road Development Group 8 of Public Work Development

Client: SPAN Co., Ltd.

Detail Design of Rural Road Development (Soil and material survey).

3. The ADB Second Regional Road Project Road Work Package II

Client: Sindhu Maunsell Consultants Co., Ltd.

Total distance of 127 kilometers (5Routes)

- Route No.224 Nakhorn Ratchasima – Chokchai
- Route No.303 Dao Khanong – Phom Pra Chul
- Route No.3242 Outside – Ring Road – Samut Sakorn
- Route No.319 Junction 304th – Prachinburi
- Route No.33 Kabinburi – Srakaew

Soil and Material Survey, Soil Investigation for bridge constructions, Field Vane Shear Test, and Laboratory Tests.

4. MRTA –Southern Line Project

Client: Leo Jovian Thai Co., Ltd.

Instrument Installation of:

- Inclinator
- Piezometer
- Heave Indicator
- Rod Extensometer
- Etc.

5. PWD Road Project (Group 1/2543)

Client: SPAN Co., Ltd.

(Detailed Design for the PWD Road Project (Soil and Material Survey))

6. PWD Road Project (Group 1/2545)

Client: SPAN Co., Ltd.

TEAM CONSULTING AND ENGINEERING CO., LTD.

(Detailed Design for the PWD Road Project (Soil and Material Survey))

Environmental Works

1. Solid Waste Project (Had Yai, Songkhla)

Client: Pollution Control Department

Detailed Design for Solid Waste Project, Topographic Mapping, Soil Investigation, Groundwater Analysis, Observation well installation

2. Waste Water Treatment Project (Phuket)

Client: Progress Technology Consultants Co., Ltd.

Detail Design for Waste water Treatment Project (Soil Investigation)

3. Environmental Base Line Assessment for 6 Oil Stations

Client: EEC Industrial Engineer JV. ENSR

Observation well installation, well development

4. Solid Waste Project (Kamphaengsaen)

Client: Group 79

Observation well installation, well development

5. Waste Water Treatment Project (Amphoe Thalang, Phuket)

Client: NS Consultants Co., Ltd.

Detailed design for Waste Water Treatment Project (Soil Investigation).

PLANT CONSTRUCTION WORKS

1. Phu Horm Development Project (Khonkean, THAILAND)

Client: Amerada Hess (Thailand) Co.,ltd.

Topographic Survey , Soil Investigation and Monitoring Well construction at well site and pipeline for construction gas pipeline to Nam Phong electrical power plant.

2. PTT Propane Dehydrogenation Project (Rayong, THAILAND)

Client: Bechtel (Thailand) Co.,ltd.

Topographic Survey , Soil Investigation and Monitoring Well construction at
Map Ta Phut Industrial Estate for design construction PTT propane
dehydrogenation plant.

3. PTT PHD Project (Rayong, THAILAND)

Client: **CTCI (Thailand) Co.,ltd.**

Topographic Survey , Soil Investigation and Monitoring Well construction at
Map Ta Phut Industrial Estate for design construction plant.

4. PTT 6th Gas Preparation Plant Project (Rayong, THAILAND)

Client: **Froster Wheeler (Thailand) Co.,ltd.**

Topographic Survey , Soil Investigation and Monitoring Well construction at
PTT gas separate at Rayong Province for design construction plant.

5. Gas Pipeline Electrical Power Plant Project

Client: **Desktop Co.,ltd.**

Soil Investigation along gas pipeline for design construction pipeline from north
electric power plant to south electric power plant.

GENERAL CONSTRUCTION WORKS**1. DTAC 750 PROJECT (SOUTHERN)**

Client: **RTS**

Survey and Soil Investigation for Construction DTAC Station

2. DTAC 859 PROJECT (SOUTHERN)

Client: **RTS**

Survey and Soil Investigation for Construction DTAC Station

3. AIS Phase 13 Project

Client: M+1 Co.,ltd.

Soil Investigation for Construction AIS Station

4. AIS Phase 14 Project

Client: M+1 Co.,ltd.

Soil Investigation for Construction AIS Station

5. AIS Phase 16 Project

Client: M+1 Co.,ltd.

Soil Investigation for Construction AIS Station

6. AIS Phase 17 Project

Client: M+1 Co.,ltd.

Soil Investigation for Construction AIS Station
